# President's Message

The opportunity to compete is the beginning of progress. Whether that progress is toward better things depends upon the goal which the contestants have set for themselves at the outset.

In the Grand Forks District Fall Fair the people of our community have found the opportunity to meet in friendly and informative rivalry with the products of their fields, their gardens, and their homes. To know the extent to which last year's fair was an improvement over that of the previous, is to have the proof that competition leads to progress. To view the results of good organization on the part of the hard working Fall Fair Committee is to know that the goal is exemplary and good.

It is with great satisfaction that we can size up the accomplishments of the past years and, with keen anticipation, that we can look forward to all future Fall Fairs.

Sincerely,

TONY LODDER,

President,

Grand Forks District Fall Fair.

# Rules and Regulations

1. Competition in the Grand Forks Fall Fair is open to everyone from near and far except where restrictions are noted in the particular division, section or class. No exhibits will be accepted by mail but must be brought in by the owner or by a representative.
2. All livestock must be owned, all horticulture and field produce must be grown, all arts, crafts, cooking, baking, etc., must be done by the exhibitor.
3. Exhibitors may enter as many entries as they wish in any one class except where otherwise stated.
4. Entry fees for exhibitors in all open classes are as shown at the start of each division (whether the exhibitor be adult or child). There is no entry for children's classes or 4-H Club classes.
5. Entry forms should be completed and in the hands of the Office Manager along with the entry fees not later than August 31. Early entry is wanted and encouraged to enable facilities to be provided for display and to enable the Office Manager to send out tags by mail to the exhibitor so he can attach them to his exhibit and place his exhibits at the Fair without any delay when he arrives here.
6. Time for entering exhibits for the Exhibition Buildings begins at 1:00 p.m., Friday, September 8th, and ends at 7:00 p.m. the same day. Time for entering livestock exhibits begins at 1:00 p.m. on Friday, September 8th and ends at 9:00 a.m. on Saturday, September 9th.
7. Judging in the Exhibition Building will begin at 8:00 p.m., Friday, September 8th. Judging of livestock will begin at 9:00 a.m., Saturday, September 9th.
8. The decision of the judges shall be final. The judges need only award such prizes as they consider the exhibit warrants. They will exercise their discretion as to whether they shall award first, second, third, or any prize, especially in classes where there are only one or two entries.
9. No judge shall be an exhibitor in any class which he or she shall be judging.
10. The public will be barred from exhibits during judging with the exception of livestock exhibits where public attendance is encouraged.

32	Parsnips, six

When you're a pioneer  
starting your 150th year of activity you  
have plenty to remember.

Especially when you've made financial  
history, like laying the cornerstone  
of this country's banking system—fifty  
years *before* Confederation.

At this time we could be looking back  
on a long record of achievement.

Instead, we're looking ahead—  
well ahead. Canada's First Bank may be  
an old-timer but it has the youngest  
outlook in banking.

There's Nothing in the World like — WOOD

## **WOOD IS GOOD**

for Strength, Durability and Adaptability. It is  
Suitable For Every Building Use.

### **Only WOOD Gives Your Home**

***Natural Beauty . . .***

of tone and grain, the look of luxury  
indoors and out.

***Resilient Strength . . .***

in basic framing used in 9 out of 10 homes.

***Proved Durability . . .***

through weather and wear, the quality of  
timeliness.

***Living Comfort . . .***

from visual warmth, high natural  
insulating value.

***Decorative Harmony . . .***

through compatibility with other materials,  
textures, hues.

***Built - In Economy . . .***

of construction, easy workability, stock  
shapes and sizes.
